# WELCOME TO YOUR SUPPORTED INTERNSHIP GUIDE FOR 2024/2025

## UNLOCKING OPPORTUNITIES

Discover over 40 programmes across London, designed to empower young people with learning disabilities towards employment. Each year, 500+ interns embark on this journey, with 60% successfully securing jobs, thanks to partnerships with the NHS, educators and large employers.

## WHAT ARE SUPPORTED INTERNSHIPS?

A stepping stone to paid employment, offering on-the-job training, skill-building, and confidence enhancement. Supported by the West London Alliance, colleges, councils, and businesses, these internships are a pathway to diverse career opportunities. A paid role should be the goal!

## ELIGIBILITY AND APPLICATION

- Age 18-24, some programmes accept 16-year-olds.
- Must have a moderate learning disability and an Education Health & Care Plan (EHCP).
- Independent travel skills are required (travel training provided if needed).
- Apply through colleges/schools from January to April. Some placements will take up until September (please enquire).

## PROGRAMME STRUCTURE

- 10-month commitment, five days a week.
- Inclusive of job planning, application practice and various job roles exploration.
- Supported by specialist tutors, coaches, and the North West London NHS.

## FEATURED INTERNSHIPS

Each programme offers unique opportunities in large public and private sector businesses, including, hospitals, hotels, councils and more, preparing interns for roles in administration, hospitality, healthcare, and other sectors.

## YOUR JOURNEY STARTS HERE

Prepare for a rewarding career by joining a Supported Internship programme that suits your interests and goals. With a strong support network and diverse opportunities, your path to meaningful employment is within reach!

## HOW TO JOIN

For more detailed information, please scan the QR Code or visit our website: <https://wla.london/our-programmes/supported-employment/>

# PATHWAYS TO EMPLOYMENT FOR PEOPLE WITH LEARNING DISABILITIES

At West London Alliance, our programme's serve as important pathways to employment for individuals with Special Educational Needs and Disabilities (SEND) and also the 20% most deprived within our community. These initiatives are helping to transform people's lives and also contribute to broader social and economic growth, while fostering inclusion for all.

**Impactful Initiatives**  
Our SEND Mentoring Programme (Open Minds) provides tailored support and guidance to individuals with learning disabilities, empowering them to explore career opportunities within the healthcare sector. Through mentorship, training, and practical experience, participants gain valuable skills and confidence, paving the way for meaningful employment.

## Graduate Gemma tells us about her experience

"I joined the programme in September 2022. I like Project Search because it gave me good work experience. I learnt new skills, met new people.

Staff were great, the job coaches were excellent, and the mentors were really helpful.  
After finishing the programme, I was able to get a job at Northwick Park Hospital. I now work in the medical equipment library and pharmacy."

*"I enjoyed the Supported internship Course; I have learnt to build my confidence and self-esteem. I have also made work friends with Robyn and Seville they work with me in the Haberdashery section. I love to have a friendly warm chat with them when am around in the morning and afternoon. I love to help them with tasks and talk at the same time. I have learnt to multi-task and do two things at the same time when am doing lots of tasks. I have learnt from real life experiences of how to talk to customers."*  
**ALESSIA**
